^ Section from the offer document related to GCP:

"Our Company proposes to deploy the balance Net Proceeds, aggregating to ₹ 581.46 million, towards general corporate purposes, subject to such amount not exceeding 25% of the Gross Proceeds, in compliance with the SEBI ICDR Regulations. The general corporate purposes for which our Company proposes to utilize Net Proceeds include, without limitation, meeting ongoing general corporate purposes or contingencies, strengthening marketing capabilities and brand building exercises, enhancing our technology-related infrastructure, strategic initiatives and acquisition and/or funding any shortfall in any of the abovementioned objects. The quantum of utilization of funds towards each of the above purposes will be determined by our Board, based on the amount actually available under this head and the business requirements of our Company, from time to time.

In addition to the above, our Company may utilize the Net Proceeds towards other purposes considered expedient and as approved periodically by our Board, subject to compliance with necessary provisions of the Companies Act. Our Company's management shall have flexibility in utilizing surplus amounts, if any. Our management will have the discretion to revise our

business plan from time to time and consequently our funding requirement and deployment of funds may change. This may also include rescheduling the proposed utilization of Net Proceeds. Our management, in accordance with the policies of our Board, will have flexibility in utilizing the proceeds earmarked for general corporate purposes."

Section from Postal Ballot related to incremental GCP:

"Company proposes to utilize the remaining amount of ₹250.83 million towards general corporate purposes, as set out in the Issue Documents. These include, without limitation, meeting ongoing general corporate purposes or contingencies, strengthening marketing capabilities and brand building exercises, enhancing our technology related infrastructure, meeting working capital requirement of our Company, strategic initiatives and acquisition and/or funding any shortfall in any of the revised objects of the Issue as set out in this explanatory statement. The quantum of utilization of funds towards each of the above purposes will be determined by our Board, based on the amount actually available under this head and the business requirements of our Company, from time to time. In addition to the above, our Company may utilize the funds allocated towards general corporate purpose towards other activities considered expedient and as approved periodically by our Board, subject to compliance with necessary provisions of the Companies Act, 2013. The total amount proposed to be utilized towards general corporate purpose (including the amount already allocated to such purpose in the Prospectus) shall not exceed 25 percent of the gross proceeds from the Issue.

The company obtained board approval on September 2, 2025, to reallocate and utilize the unutilized IPO proceeds of ₹65.99 crore, earmarked for general corporate purposes as of June 30, 2025, for the general corporate purposes towards working capital expenditures and capital expenditures to the extent of Rs.10.00 Crores to meet the business exigency requirement of the Company.
